

STV Drina je daljinski upravljač koji je projektovan da može upravljati najvećim brojem televizora brenda **Grundig** i **Hisense**.

Podešavanje:

Potrebno je izabrati jedan od 20 ponuđenih tastera (na primer 1), pritisnuti ga i zadržati pritisnutim u trajanju od 6 sekundi dok lampica ne zablinka tri puta sporo. Time ste podešavanje završili i možete testirati funkcionalnost daljinskog upravljača na Vašem televizoru.

Ako ne odgovara, možete ponoviti postupak sa preostalih 19 tastera.

Radi lakšeg pronalazaženja odgovarajućeg moda, možete pronaći model Vašeg uređaja u tabeli:
